

## Walk to School in October

Dear Families,

Collingwood College is pleased to announce that we are participating in the 2014 Walk to School program with the support of Yarra City Council.

*Walk to School* is a VicHealth initiative that encourages primary school children to walk to and from school as often as possible throughout October.

As one of only four schools to receive funding and prizes for *Walk to School* we have also been invited to take part in an innovative footpaths markings project called 'Tracks to School'.

'Tracks to School' celebrates the adventure of walking to school and council will be placing specially themed animal tracks along routes to Collingwood College and near crossing points. These will be Australian Dinosaur footprints.

### Dinosaur tracks outside your door

Australian Dinosaur tracks will not only be placed around our school but Yarra City Council would like to extend an invitation to families to **have their own** dinosaur footprint **outside their house** on the footpath.

Australian Dinosaur footprints will be offered to a limited number of families who live within the walkable distance of 1000meters (1km) to Collingwood College.

For more information and to express your interest by **Friday 12<sup>th</sup> September** please see over the page.

Children and families who live outside the 1km radius will still be able to participate in the animal tracks activities we have scheduled throughout the month of October.

Sincerely yours,

Keir Jasper  
Primary School Principal  
Collingwood College

## Australian Dinosaur footprints information

Families who live within 1000 meters (1km) of the school are eligible for a footprint.

You are asked to express your interest on the section below.

You will then be placed in the pool for selection. Households will be selected depending on numbers and the location.

- Footprints will be placed on the footpath in front of households.
- Sizes approximately 30cmx30cm
- Footprints will be printed during Term 3 school holidays

For more information contact Heidi Marfurt, Yarra City Council on 9205 5734.

**YES, I WOULD LIKE TO EXPRESS MY INTEREST IN A FOOTPRINT MARKING**

Parent contact (name): \_\_\_\_\_

Email address (for contact): \_\_\_\_\_

Home address (for footprint): \_\_\_\_\_

Please hand this section to **FRONT OFFICE** by **FRIDAY 12<sup>TH</sup> SEPTEMBER**

This map shows a 1000 meter (1km) radius from the school.

Please **mark** where **your household** is.
