Working Bees

Working bees are held periodically throughout the year and are a great way to improve and build the school as well as its community.
They usually start around 10am on a Saturday and run until everyone’s steam runs out. :-)
Please keep an eye out for when the next working bee is, and come along for a fun ‘get stuck into it’ day with your fellow families!

**General Working Bees for Term 3: 27th August & 17th September**

Spring Fair

Spring Fair Meetings - Last Friday of each month, in the canteen at 9am. ALL welcome!
29th July
16th August
23rd September
14th and 21st October
To prepare for the school for Spring Fair there will be a working bee on Saturday 15th October
This working bee is held the weekend before the Spring Fair. Come along and help beautify the whole school - inside and out!
Spring Fair Setup Working Bee: Saturday 22nd October
This working bee is to setup the different tents, stalls, signs and activities in readiness for the Spring Fair the next day.

This year’s Spring Fair will double as the celebration of the Kitchen Garden’s 10th Anniversary and so there is plenty to prepare. Many hands make light work, and all are encouraged to join in with their class’ stall or activity as well as with the preparations in the canteen in the week leading up to the fair - Monday 17th through to Friday 21st October

There is also an urgent need for Silent Auction items… we are aiming to have 200 this year, so all hands are needed to collect donations. Please contact Magela: 0403 315 910
