

Social ride to Abbotsford Convent

Friday, April 4, 2014

Following the recent “National Ride2School Day, again this year Collingwood College have decided to run a further event on the last day of Term One – **Friday April 4.**

Students will be invited to register for the day and have their bikes at school.

- The event will **start at 12:40pm** and take place partly after school (N.B. school finishes 12:30pm due to the end of term).
- Students **need to register** (permission slips from classroom teachers)
- **Supervision** by teachers and voluntary parents (plus a driver to transport school bags as needed).

THE BIKE RIDE

- Following a short lunch students will depart on a short, supervised cycling expedition.
- The planned route (depending on numbers) is likely to be via the pedestrian overpass over Hoddle Street, then back streets to the Main Yarra Trail – MYT - (at Gipps St).
- Then either down the stairs to Dights Falls (short & flat) or over the bridge (for those interested in a challenge) for a loop of Kew Boulevard (long, hilly, road).
- Both routes return along the MYT to the Abbotsford Convent for refreshments at approx 3.00 p.m. (normal school finish time).
- **If registered**, students can either be **collected by parents, or dismissed to ride home**. We hope this offers parents a suitable alternative for care of their child on this shortened day.

This event is designed with middle Primary age students in mind, but is open to all. If students are too young to ride on their own, then parents are welcome to participate.

If your child is interested, please fill in PERMISSION SLIP to be handed out by classroom teachers. These will be returned to Frank Stanley.
